## Local News.

—The roads are fine where the chain gang has been at work.

—There are only five prisoners on the chain gang at present since Reuben Perry took French leave.

—Mr. and Mrs. W. D. Douglass have removed to the residence of Mrs. E. P. Dwight, mother of Mrs. Douglass, where they will reside in future.

—We hear that one of the wardens was electioneering before the election by promising manure to put on a garden. It was said that he could not furnish any after the election.

—Reuben Perry, the negro who got away from the guards at the chain gang, has not been captured yet. He was in for two years for stealing an ox. It is likely that he has shaken Fairfield dust from his feet.

—The commissioners appointed to represent Fairfield county at the Atlanta Exposition, consisting of Messrs. T. W. Woodward, W. J. Johnson and Jas. Q. Davis, were in session here Friday. They are preparing to make an exhibit of the product of the county. We will let the public hear more from them later on.

Johnson's Oriental Soap is far superior to all the other so-called medicinal soaps for beautifying the complexion. Winnsboro Drug Store.

UNION SERVICE.—The union service will be conducted at the Baptist Church at 8 o'clock Sunday night.

SWEON IN.—The old indentant swore in the new one on Friday. The new indentant, Mr. J. W. Manahan, then swore in the new wardens.

LET US HAVE THE WEIGHTS.—All persons who have weighed pigs for the contest will please send in the weights as soon as sworn to. We wish to have them in so as to know how many have entered.

HOW IS YOUR TOBACCO DOING?—Mr. J. P. Caldwell says he has a very good stand from the tobacco seed sown. Mr. W. H. Macfie says his plants seem to be late, and the stand is not as full as he would have liked.

THEY HAVE PREACHING EVERY SUNDAY.—We were in error when we stated that there was preaching twice a month at Greenbrier Church. They have service every Sunday, so we were informed after writing our former statement concerning this matter.

GETTING READY TO HELLO.—Mr. E. C. Heins has the poles up on the telephone line between Winnsboro and Ridgeway to a point on the road north of Simpson's. It will not be long before we will be talking to Ridgeway. We hope the line will be extended on up toward Blackstocks and Chester.

LET IT BE KNOWN.—If any person in Fairfield county has a deposit of stone or whet rock, or any mineral deposit, let it be known. Send your products, anything that grows on the farm, to either Maj. Woodward, Mr. W. J. Johnson at Ridgeway, or Mr. James Q. Davis at Winnsboro. They want to represent our county in Atlanta. Go to work now and show what you have got.

CUT ON A WIRE FENCE.—A horse belonging to Mr. G. Y. Langford, which was hitched to a tall old building near the law offices in rear of the Court House, took fright at something and pulled back, overturning the structure. He ran into a wire fence on the yard and cut himself badly. He was running when he passed Maj. Woodward's and was badly cut in the shoulder.

Ladies, if you want a pure delicate soap for the complexion, druggists will always recommend Johnson's Oriental Medicinal Toilet Soap. Winnsboro Drug Store.

CANDIDATES FOR PEG-LEGS.—The Superintendent of the Southern Railway Company has written to the Indentant to pass an ordinance to prevent boys from riding on the trains. The Council will likely do so. The matter was discussed on Friday morning. Mr. Creight says they ride to the depot and sometimes further, and jump off at and below the tank. No damage done while boys indulging in such recklessness as this should be paid for. This kind of fool hardiness should be stopped. If not, look out for a dead boy.

RELIGIOUS SERVICES.—Services will be held in the following churches on Sunday:

Associate Reformed Presbyterian—11 a. m. by the pastor. Young men's prayer meeting at 4:15 p. m. Sunday School at 5 p. m. Prayer meeting Wednesday evening at 5.

Presbyterian—11 a. m. by the pastor. Sunday School at 5 p. m. Prayer meeting Wednesday at 5 p. m.

Methodist—11 a. m. by the pastor. Sunday School at 4 p. m. Prayer meeting Wednesday at 5 p. m.

Baptist—11 a. m. by the pastor. Thursday afternoon meetings at 4 p. m. Sunday School at 10 a. m.

THE BEST SALVE IN THE WORLD FOR Cuts, Bruises, Sprains, Ulcers, Salt Rheum, Fever Blisters, Itching, Chapped Hands, Chilblains, and all skin eruptions, and positively cures them, and the pay required is guaranteed to give perfect satisfaction. Price 25 cents per box. Sold by all druggists.

Miss Lily Hamiter, a daughter of Mr. and Mrs. A. W. Hamiter, of this city, has joined the Wilfred Clarke Comedy Company. Miss Hamiter has been a hard student of her art, and will no doubt make her mark in her chosen profession.—Evening News.

Miss Hamiter's father was born in Fairfield County or just below the line in Richland. The family was one of natural mechanics. The father made the best wagons in his day and they were quite celebrated. One of the brothers, perhaps the father of the young lady is one of the finest painters in the South. One of her uncles carries on a wagon business at present at Monticello.

## Personals.

Miss Sallie Willingham, after visiting relatives here and in the country, returned to Blair's, on the Spartanburg and Union Railroad, where she resides with her sister, Mrs. J. B. Frazier.

Miss Mattie White, daughter of Rev. Mr. White, who preached at Lebanon several years ago, is visiting Miss Mary Withers.

Lawson Morris, a son of Mr. A. A. Morris, who kept the Winnsboro Hotel here once, was in town on Thursday. He is running on the train between Charlotte and Columbia.

We recommend Johnson's Magnetic Oil for rheumatism, neuralgia, sprains, bruises, lame back; it quickly relieves pain. 25 and 50 cts. Winnsboro Drug Store.

## DEATH OF MRS. L. E. SIMPSON.

Capt. S. R. Johnston went to Blackstock on Wednesday to attend the funeral services of Mrs. L. E. Simpson, who died at her home in Blackstock on Wednesday morning at 9 o'clock. Her remains were interred on Thursday.

Mrs. Simpson was a sister of the late James E. Johnston, one of the largest merchants in Blackstock. She was largely interested in the business which was carried on afterward in the name of Alex. Macdonald & Co.

## Where are the Blue Birds?

Mr. William Cork said to our reporter a week or so since that the birds which used to sing in the trees near his home were gone; that there were no jay-birds even, and he was struck with the absence of all kinds of birds around his place.

On Friday Major Woodward asked Mr. Crawford, who lives north of DuBose's old store, if he had seen any blue-birds this year. He replied that he had not. The Major thinks that worms and caterpillars will be bad on crops and vegetation this year; as the severe cold weather killed so many birds the worms and other insects will prey on our gardens and field crops. We hope he is mistaken, but his proposition is very reasonable.

## "THE FALLS PICNIC."

On the first Saturday in May for years back there has always been a picnic at Catawba Falls. Everybody attends without an invitation. There is no committee, no program, but the certainty of a large crowd always insures a pleasant day and a successful occasion. Some parties go a day or so before and camp, others go and return the same day. The good people in the vicinity are very hospitable and always extend the invitation to come the day before and spend the night. There is always more or less fishing, boat-riding, and sports common to picnics.

The soda water and lemonade vender is there. You can buy cigars, cigarettes or tobacco, and sometimes the "sightless tiger" roams about the mountainous gorges near the river bank.

Our reporter has been there several times and enjoys the trip every time. One meets friends from four and sometimes five counties, Chester, Lancaster, York, Kershaw and Fairfield are generally represented. The place is rocky and rough, but there are many enjoyable sights. The old stone house with vines clinging to it, the old canal locks, and the water pouring over the rocks on the river in such a roar are all enjoyable.

The young people sometimes participate in dancing, though there is no platform or stand; but when folks feel like dancing the conditions surrounding them are no obstruction. Winnsboro will be well represented, so we learn, and we hope to be present on the occasion.

## NOTES FROM BETHEL.

BETHEL, S. C., April 4.—We have had a few days of pretty weather and the farmers have made good use of the time. There has been a great deal of ploughing done and nearly all of the planted corn has been and will be upland this week. A good deal of land has been prepared for cotton without the use of fertilizers.

Mr. Edgar Trapp has moved his store from the Jennings place to his home, it being much more convenient for him.

I was much pained to hear a few days ago that while one of my neighbors and young lady friends was on her way to visit friends she had her trunk searched in Columbia by the State's spies. It is to say the least of it, a disgrace to our State that a lady cannot travel without having to undergo the mortification of having her trunk searched by men while visiting friends.

Johnson's Aromatic Compound Cod Liver Oil with hypophosphites is invaluable in all serous affections, purifies the blood, builds up the appetite and makes sound flesh. Pint bottles \$1.00. Winnsboro Drug Store.

## WALLACEVILLE, S. C.

Wallaceville is a flag station on the Greenville and Columbia Railroad, five miles south of Aiston. There are three store-houses there, only two of which are being used. William Wingard, white, and William Friday, colored, operate a mercantile business, each on his own side of the public street. There is a crano platform and a wagon scale located near the railroad. The place took its name from Dr. John Wallace. There is a small business done there, a good many cotton seed being bought in the fall. No one stays there at night and very few are seen there in daylight.

This is the place, of which Dr. Wallace said in his speech at the Board of Trade banquet here several years ago, that "it was on it's last legs. Some people tried to say that the name killed it, but that he knew the d-d railroad had killed it." For all that he had ever known the railroad to do in his neighborhood was to "kill his cows and dam up his bottoms."

These remarks were made by Dr. Wallace in reply to a toast offered by Mr. E. B. Ragsdale, as follows: "Here is to the good old days of hog and hominy, when every man lived at home and drank out of the branch."

Yes, he would like to return, he said, to those good old days when every man was honest and covered wagons from North Carolina brought good liquor to your door at three gallons to the dollar. But this was the day of railroads and the country was gone to the devil.

The speech created quite a lot of laughter, but it was not a railroad speech suited to Mr. McMaster's views.

Catarth Cannot be Cured with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarth is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarth Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarth Cure is not a quick medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarth. Send for testimonials, free.

## Guaranteed Cure.

We authorize our advertised druggist to sell Dr. King's New Discovery for Consumption, Coughs and Colds, upon this condition. If you are afflicted with a Cough, Cold or any Lung, Throat or Chest trouble, and will use this remedy as directed, giving it a fair trial, and expect once no benefit, you may return the bottle and have your money refunded. We could not make this offer did we not know that Dr. King's New Discovery could be relied on. It never disappoints. Trial bottles free at McMaster & Co.'s Drug Store. Large size 50c. and \$1.00.

## J. M. BEATY & BRO.

One Ton Cotton Seed Meal

For 375 Lbs. Middling Cotton, Payable in the Fall.

This is the offer we are now making, and we desire to call the attention of farmers to the cheapness of Cotton Seed Meal at present as compared with commercial fertilizers. Taking the Clemson College valuation of ammonia at 15c. and 15c. per lb., respectively, in cotton seed meal and in mixed fertilizer, phosphoric acid at 5c. and potash at 5c. per lb., we have the following:

Cotton Seed Meal—Analysis, 84 per cent ammonia, 24 per cent phosphoric acid, 14 per cent potash. Commercial value at Charleston with freight to Winnsboro.....\$29.20

Commercial Fertilizers—Analysis, 3 per cent ammonia, 8 per cent phosphoric acid, 14 per cent potash. Value at Winnsboro.....\$21.40

The above shows a difference of \$7.80 per ton in favor of cotton seed meal over high grade fertilizers, and yet we are selling cotton seed meal for less than you can buy standard fertilizers.
